She continues to teach in the Department of Graphic Design at Istanbul Arel University.

KONTRAST – Madde ile Duygunun Çatışması

Bu sergi, kumaşın sadece bir yüzey değil, bir düşünce alanı olduğunu savunur. Kumaş manipülasyonu, malzemenin sınırlarını zorlayarak dokunun iç sesini açığa çıkarır. Katlama, büzme, yakma, kesme ve dikme eylemleriyle form, görünür ve görünmez arasındaki sınırda yeniden şekillenir.

"KONTRAST", ışık ve gölge kadar, duygu ile akıl arasındaki gerilimi de görünür kılar. Her bir parça, malzemenin direncine karşı verilen bir yanıttır; form, yapı ve anlam arasında süregelen bir diyaloğun ürünüdür.

Sergi, zıtlıkların çatışmasından değil, onların bir aradalığından doğan estetik dengeyi araştırır. Her dokunuş bir karşıtlığın yankısı, her yüzey bir karşılaşmanın izidir. "Kontrast" bu karşılaşmalardan doğan gerilimle, kumaşın hem sessizliğini hem de direncini görünür kılar.
